NOTES:

I still have openings in my APBA Baseball league - I am currently organizing a 16-team postal draft league; we are going to be using the full card set without XB's and the draft is currently scheduled for early March. Write me soon if interested. . . .I'm looking for an upset in the Chicago-San Francisco game this Sunday. The Bears showed enough defense vs. the Redskins to beat anyone, and any offense with Payton can't be bad. Pittsburgh should beat the spread, but lose a toughie. . . .Does anyone have any interest in playing or GMing any other games here besides Diplomacy? Any chess players care to show off their skills - perhaps a small tournament?***
